

Greetings Urgent Care Physicians,

We appreciate all that you do to provide high quality patient care in our facilities. As you know, we're committed to investing in the development of your career, as evidenced by the CME stipend.

Furthermore, we recently engaged with a patient safety and clinical improvement organization, The Sullivan Group. We are partnering with them to provide six online CME courses annually for the next three years. Courses will be available to all physicians and should be completed within 90 days. Course completion will unlock your access to your annual CME stipend.

Summary of RSQ® Solutions – Urgent Care Program from The Sullivan Group

- Online interactive, case-based CME courses that focus on medical decision making and improving areas of highest risk for diagnostic error written by a collection of nationally recognized risk and safety-focused clinical champions from a broad spectrum of medical specialties
- Over 40,000 clinicians currently utilize the RSQ® Solutions, and over 1 million courses have been completed with a 98% user satisfaction rating

Goals

- Improve patient outcomes through targeted improvements in difficult to diagnose areas
- Reduce risk of adverse events and malpractice litigation

Time Commitment

- Complete six online modules by March 31, 2019 Courses include:
 - Appendicitis
 - Cognitive Errors in Medicine Part 1
 - Head Injury
 - Myocardial Infarction Part 2
 - Orthopedic Injuries
 - Wound Care
- Each online CME module takes approximately 90 minutes to complete.
- After completing all CME modules, you will receive 12 CME hours.

What to Expect Next

- 1) Emails from The Sullivan Group (registration@thesullivangroup.com). If you do not receive the email, please check your spam or junk email folder.
- 2) In the email, you will receive instructions to create a username and password to access the online modules.

We are very excited to offer this Program to you, and we look forward to making this a successful initiative.

Sincerely,

Clinical Leadership
